Der Bierzauberer Günther Thömmes

pp. 373

Una appassionante trilogia tra storia e avventura nel Mondo della Birra, tre romanzi di successo.

The Beer Wizard

An old, mysterious book and a brewer from the 13th century – and suddenly the door into the world of the dark ages is wide open. Niklas von Hahnfurt sets out to become the best beer brewer of his time. From his Franconian home he comes via Weihestephan Abbey to St. Gallen, the stronghold of the mediaeval art of brewery. After several pilgrims are killed with poisoned beer, Niklas attracts the attention of the fanatic inquisitor Bernard von Dauerling. A deadly chase begins. His escape brings Niklas to the beer towns Regensburg, Bitburg and Cologne and later the „beer wizard“ even reaches Lübeck and London. But in the end a last „beer duel“ with his archenemy is unavoidably.

La trilogia "Il mondo della birra".

Tre vite dedicate alla birra: Niklas von Hahnfurt sta per diventare il migliore produttore di birra del suo tempo. Inizia un percorso di apprendimento che porterà il "Bierzauberer" dal Lago di Costanza attraverso la Germania a Londra. Durante il suo viaggio attraverso le più importanti città della birra del XV secolo, la "Kaiserliche Bierkieser" Georg scopre i misteri del suo tempo. Il birraio Cord Heinrich Knoll perde tutto: moglie, figli, birreria. Il principe Friedrich von Homburg gli dà la possibilità di portare il suo nuovo birrificio agli onori e al prestigio che merita. Ma c'è il rischio di rivalità inaspettate da poteri forti.

Günther Thömmes is born in Bitburg. He is a trained and studied brewer. After 20 years of travel-ing the world on the behalf of beer and breweries, he opened a little adventure brewery called „Bierzauberei“

near the beautiful Vienna Woods in 2010. He published several articles about beer and the history of brewing. In 2005 he published an amusing beer lexicon („Jetzt gibt es kein Bier, sondern Kölsch“) and in 2010 an illustrated book about the history of the Brunner Brewery („Die Geschichte der Brunner Brauerei 1790-1930“). In 2008 he made his debut as a novelist.

Other titles by Günther Thömmes: Der Bierzauberer (2008), Das Erbe des Bierzauberers (2009), Der Fluch des Bierzauberers (2010), Der Papstkäufer (2012)
