## Minions

The series of Lego builders' books for kids is continued by a new collection of cool projects enabling you to create your own tribe of playful Minions.

You need nothing but your basic home collection of Lego bricks to make them come alive –bestow the loveable little helpers with features and characteristics of your own choice and givethem a new chance to find their favourite super villain!

Become the master of minion madness!

**Joakim Klang** and Oliver Albrecht are both LEGO experts since their childhood days. They are well-known within the LEGO community for their real artistic and experimental use of the

colourful bricks. .

**Other titles by Joakim Klang:** Bau dir eine Stadt, Build your Own Galaxy, Build your own LEGO Knights Realm, Build Your Own LEGO Vehicles, LEGO Projects, Minecraft, Minions, Tips Tricks and Building Techniques, Transformers.
