**Little Wordy's Life Learning Stories Series**

This series is about life of a little boy, Wordy, who is curious about everything around. Each kid might be growing up with similar asks and answers. Why do people sneeze? Where are the noodles come from? How should I deal with the burning tongue? Also, the front seat might not always be the best seat...Quite basic to adults but Strange enough to a small kid.

Five title series:

1. **Little Wordy and Little Noodle**  
(Grateful to Nature, Cherish Grain)
2. **Tearful Little Wordy**  
(Emotional Management and Expression, Learn to face setbacks)
3. **Little Wordy at the Concert**  
(Find the Right Place, Respect the Personality)
4. **Little Wordy's Big Sneeze**  
(Learn etiquette, Consideration for others)
5. **Little Wordy and His Troublesome Tongue**  
(Character Cultivation)

Peculiarities of this series:

- China's top female writer and psychologist wrote for kids
- Simple stories with enlightening and educational principles
- Vivid texts with exquisite illustrations and knowledge of popular science
- One of the best picture books to company the growth of kids

**Bi Shumin** born in Xinjiang province in 1952 is one of most influential Chinese female writers, first-class writer, the vicepresident of Beijing Writers' Association, psychologist, traveller

around the world. She is praised as "The Angle in White in Literature" by Wang Meng. Bi Shumin's words are elegant and placid, full of soft feelings and love like kissing the rain. Her works are popular with readers, and has won many an award.

**Mao Weiwei** a newly aggressive illustrator, graduated from Sichuan Fine Arts Institute, undertakes the work of fine arts education and illustrations of picture

books. Her original illustrations hey have been published in numerous books. She also participated in the Chinese illustrations of Andersen's Fairy Tales, Grimm's Fairy Tales, The Wizard of Oz, etc. The Funeral of Mr. Spider has been awarded "The Crown Children's Book" in 2018.
